

## FAST FIX SHOPPING LIST

When it comes to summer lawn care, you want to keep the grass lush and green, keep the weeds and insects away, and still have time to enjoy the outdoors. Lowe's has some simple, cost-effective solutions for getting the job done:

### **Spectracide Weed and Grass Killer (Item #191616)**

**Top Feature:** Eliminates weeds and grass from flower beds, walkways and trees

**Top Benefit:** Kills down to the roots and delivers visible results in three hours

### **Spectracide Triazicide Once and Done! Insect Killer Liquid (Item #188467)**

**Top Feature:** Kills more than 180 types of insects, ants and grubs on lawns, trees, flowers, shrubs and vegetables

**Top Benefit:** Kills on contact and lasts up to two months

### **Scott's SummerGuard Lawn Fertilizer (Item #192407)**

**Top Feature:** Apply in late spring or summer months – won't burn lawns

**Top Benefit:** Strengthens lawns against heat and drought.

### **Mister Landscaper Easy Set Electronic Timer (Item #62056)**

**Top Feature:** Easy digital setting for current time and run times

**Top Benefit:** Can be set to water from 1 minute to 3 hours as frequently as 3 times per day or as infrequently as once a week

These lawn care tips will help you avoid the summer speed bumps in your lawn and make sure your summer is all "green".
